F.E. MORAN SPECIAL HAZARD SYSTEMS NAMES JASON GALOOZIS AS SAFETY DIRECTOR

Safety Director Brings a Wealth of Industry Experience to the Position

Northbrook, IL – F.E. Moran Special Hazard Systems has announced that Jason Galoozis will be assuming the role of Safety Director, effective October 18th. He will be responsible for overseeing all job-related safety programs to ensure the wellbeing of all parties involved in every project.

Galoozis brings 12 years of experience in the environmental and safety field to F.E. Moran, with a strong history in construction. His background includes insurance underwriting for high risk construction projects, tenure as a safety manager for a heavy civil contractor and safety specialist for O'Hare International Airport. F.E. Moran is excited to have a safety director with the knowledge and qualifications that he possesses to enhance their thorough and effective safety program.

F.E. Moran Special Hazard Systems provides comprehensive fire protection solutions for heavy industry environments such as chemical and power plants. Extensive knowledge of design methodologies and current codes along with consummate installation tactics provide customers with dependable turnkey solutions that satisfy their specific needs. As an industry leader with over 30 years of experience, more than 700 high-risk facilities across the globe have trusted F.E. Moran Special Hazard Systems to implement and maintain flexible, reliable fire protection systems.
